

Manual to get your DHAtoD86 License

Thank you for choosing this StillPeaks product. With this manual we'll help you obtaining a valid license.

Alert 1: Our software and license are separately distributed

Please keep in mind that we distribute the software and the necessary license separately.

Alert 2: Download software first

To get things going first download the software and follow the installation-steps. Then run the software and follow the License Registration Procedure in this manual. After registration we will provide your License-code(s) asap. Please acknowledge 48 hours to process your order.

Alert 3: Annual licenses

StillPeaks provides annual licenses with exception of our 30-day free of charge trial license.

Alert 4: License equals Gas Chromatograph installation

One license equals one Gas Chromatograph installation. So when you want to run StillPeaks DHAtoD86 software for multiple GC installations we'll advise to obtain the accordingly amount of licenses.

Alert 5: Free Trial License

Our 30 day Free of Charge Trial License is set for installation on one PC (Windows7 or 10).

Manual

1. Please open **StillPeaks DHAtOD86** (via the shortcut)
